**From Fr. Peter’s Desk
The Body & Blood of Christ**

Dear Parish Family:

Our First Reading of today, the Feast of the Most Holy Body and Blood of Christ, is a foretaste of the Eucharist. King Melchizedek of Salem serves bread and wine to Abram and blesses him in the name of the God Most High.

The reading from the First Corinthians recounts the first Supper of the Lord. St. Paul repeats the words the Lord Jesus spoke to His disciples, who then spoke the words to Paul and others so that we still say the same words today when we celebrate the Eucharist.

In our Gospel, the first two readings conclude not with a Eucharist but with a simple meal for a hungry crowd. Jesus performs the same actions as at the Lord’s Supper, but this time with bread and fish: he blesses food, breaks the bread and gives it to the hungry crowd. Nobody goes home hungry. Jesus offers both bread and food for the hungry bodies and their souls.

My dear brothers and sisters in Christ, as St. Augustine said, when we receive Christ’s Body and Blood in the Eucharist, we become what we receive. Let us reflect on what it means to be joined to Christ so intimately that you become his Body in this world. There is truly no better expression of Christian life than the presence of the baptized at the Eucharistic liturgy, two manifestations of Christ’s Body in an exchange of gift, sacrifice, and mission. “One bread, one body, one Lord of all.”

*God Bless You Always,
Fr. Peter*

Stewardship Reflection

Jesus feeds the multitude.

Living Stewardship

Find time this week to sit in silence before the Lord in Adoration (or before the Tabernacle). Praise God for the Eucharist, where He is truly present.

Stop Physician-Assisted Suicide in New York

New York is on the brink of legalizing physician-assisted suicide. Bill A136 has already passed the Senate and Assembly. **The only thing standing in its way is Governor Hochul's veto – and she needs to hear from you.**

This bill would allow doctors to prescribe lethal medication with the sole purpose of ending a patient's life. It puts the most vulnerable among us – the elderly, people with disabilities, and those facing emotional or financial despair – at even greater risk. **Suicide is not healthcare.**

We must speak out to protect the dignity of every human life. Assisted suicide is a dangerous and deadly path – one we must not go down.

Take Action!

Contact the Governor's office now to oppose this deadly practice! Visit bit.ly/veto-pas or use the QR code.
